Dear Harold,

I am sending you the press release handed out by Craig and Rogers at the symposium. As I mentioned in my previous letter I did not attend. This material came from Gus Russo. At any rate I see the here we go again syndrome at work. J. Gary Shaw is behind this somewhere. The story as told to the detectives by Holt just doesn't stand up.

I have decided to look into this one as I did the White business. I need some help. (1) Do you have any names or contacts within the Justice Department ? I need to get some background on Holt i.e. criminal record, prison record. I understand he is just out of Terminal Island. (2) I probably need to file a FOIA, but I am not sure with who. The FBI takes too long. Should I try Justice or maybe the Federal Prison system. Can you give me advice ?

I will send you more of this stuff including newspaper clippings over the next few weeks.

Best wishes,

Dave
